Membership – attendance at any meeting, event, observing session etc, is entirely up to you, as you will still be informed about the society through the newsletters, text alert (if you have opted in for the text alert service) and via the web site. Membership runs from **1st September** each year with 2 month grace period for renewals and your membership also provides Public/Products Liability Insurance (PPLI) cover for paid up members at our society events.

Remember you do **not** have to own a telescope to become a member or attend any of our events! We have an equipment loan scheme free for schools, colleges and community groups, also available to members upon joining the society.
